

# Hey Cupid

Stereos

I never knew that I could feel like this,  
got my heart like a warm sunshine.  
I got your sunlight beating down on me  
from the corner of your perfect smile.

So if you feel like love ain't strong enough,  
I could be the one to stir it up.  
Like a beat I drop,  
I knock it up,  
Cuz when I saw you I knew.

My heart turned upside-down,  
it took a spin around  
cuz the girl I found,  
She got me off the ground.  
And I'm wrapped around her finger like a diamond ring,  
Hey Cupid let me get her cuz she makes me sing.  
Yeah, yeah

Well I could never stand back and let you feel lonely, lonely, lonely.  
And if your feelin down, I could be beside you,  
Put your trust on me.

So if you feel like love ain't strong enough,  
I could be the one to stir it up.  
Like a beat I drop,  
I knock it up,  
Cuz when I saw you I knew.

My heart turned upside-down,  
it took a spin around  
cuz the girl I found,  
She got me off the ground.

And I'm wrapped around her finger like a diamond ring,  
Hey Cupid let me get her cuz she makes me sing.

Hey Cupid come along,  
wash away all the rain,  
put the sunlight of love in a heart just for me.  
I've been actin like I should,  
You know I've been good,  
She's all I think about all day.

Hey Cupid can't you see  
she's that one that's my love,  
Not a minute goes by that I don't think about her,  
So please hook me up.  
Don't put my heart on ice.  
Don't let me roll the dice.  
I need a sure thing right now.

My heart turned upside-down,  
it took a spin around  
cuz the girl I found,  
She got me off the ground.  
And I'm wrapped around her finger like a diamond ring,  
Hey Cupid let me get her cuz she makes me sing.
