

Ready For Action

Steriogram

We wont stop loving cause we're ready for action
We wont stop loving cause we're ready for action

Can you see it's time, this time will be fine
Throw me overboard, she will be fine, i'm a lover
He said, she said show me the door
name was Eleanor, Heather before, never met her

Its how we do our livin
we're movin' around
i play my cards close, hit me

We wont stop loving cause we're ready for action
We wont stop loving cause we're ready for action
if we don't start getting out of here
We wont stop loving cause we're ready for action

Denmarks riches, Tokyo's game, give me Canada what was her name
, Senorita?
Aberdeen Scotland oh what a shame, maybe Istanbul get me a plane, and a razor

Its how we do our livin
we're movin' around
i play my cards close, hit me

And if we don't start getting out of here
We wont stop loving cause we're ready for action
We wont stop loving cause we're ready for action
if we don't start getting out of here
We wont stop loving cause we're ready for action
We wont stop loving cause we're ready for action
