

# Holding Up The World

Steve Aoki

I'm holding up the world, I won't let you fall  
I won't let you break, I'll pay for your mistakes  
I'm holding up the world, you won't feel a thing  
I can take the burn blistering my skin

Holding up the world, the walls are crashing down  
Nothing really matters but I see clearly now  
I won't let it go, long as I still breathe  
I'm spreading out my wings, I'm holding up the world  
I'm holding up the world, I'm holding up the world  
1, 2, 3, woo

I'm holding up the world, I'll learn to love again  
I'm holding up the world, my tears will make the rain never be  
the same  
I'm holding up the world, I won't make a sound  
I'd do it all for you, never going down

Holding up the world, sweat and tears and fight  
Angels I see coming, why follow the night?  
I won't let it go, long as I still breathe  
I'm spreading out my wings, I'm holding up the world  
I'm holding up the world, I'm holding up the world  
1, 2, 3, woo

You and me, we're holding up the world  
Holding up the world, holding up the world  
You and me, we're holding up the world  
Holding up the world, holding up the world
