

Welcome to the Playhouse

Steve Aoki

Huhhhh... We have an announcement... mwaaha
Do you know what the cost to be the boss is?
I got more endorsements than loses
Do you want SHAQ to put you in your place?
I'll make Steve throw a cake in your face
Shake the ground... stomp your feet
Jump in the pool... 16 feet deep
Start a mosh pit... see who will get tossed
Show me and Steve... show me you the boss

Halftime.. Wait a minute
Let me put some mother fuckin boom in it
When you get pushed don't ask who did it
Fight back -- revenge -- just go get it

Welcome to the playhouse bastards
Steve and Shaq -- Playhouse masters
Stop... drop... then put your hands to the top
Turn your wrist over shoot a jump shot
Follow through then you won't get blocked
Move to the left... move to the right... we bout to jump all night

We bout to jump all night...we bout to jump all night...we bout
to jump all night
