

# **We Belong Together (Tarzan And Jane)**

**Steven Curtis Chapman**

Deep in the jungle, up in a tree  
In Indiana 1983  
Living on pizza and too little sleep  
Just me and my animal friends  
Then in the distance I saw through the leaves  
Creature of beauty like none I had even seen  
The trouble started when you smiled at me  
And our two worlds came crashing together  
And true love slowly began

I am Tarzan, You are Jane  
I am the night, and you are the day  
We're like sunshine and rain  
We're so different from each other  
You are a woman, I am a man  
You're the sea, and I am the land  
And I would not be who I am  
If I didn't have you

I know that someday we both wonder how  
We got together, we're still so different now  
But I can't imagine my life without you  
Cause all those things that make us so different  
Are just what make us all that we are

I am Tarzan, You are Jane  
I am the night, and you are the day  
We're like sunshine and rain  
We're so different from each other  
You are a woman, I am a man  
You are the sea, and I am the land  
And I would not be who I am  
If I didn't have you

We belong together
