

Hold On to Your Dream

Stevie Wonder

In life we have our pains and sorrows
Face mountains we think we can't climb
Nothing can there's always tomorrow
You feel like giving up, you say you're out of luck
But then you hear a voice in your mind
Telling you to

Hold on to your dream
Cause they're always worth having
Hold on to your dream
Like a father to his son
Don't let anyone ever steal your joy from you
Hold on to your dream
'till the day that life is said and done

This world is filled peaks and valleys
With rivers we think we can't cross
To busy keeping sorrows telling
You say you're at you're in
You say you never win
But then a light comes on in your mind
Till you

Hold on to your dream
Cause they're always worth having
Hold on to your dream
Like a father to his son
Don't let anyone ever steal your joy from you
Hold on to your dream
Until the day that life is said and done

If you wanna hold on to something
You better hold on to your dreams
If you want to hold on to something
You've gotta hold to your love
To your love

So if they try to burst your bubble
It's cons they haven't done 'em all
And when you feel you are in trouble
Hold your head up high and feel your heart inside
And know that you are never alone
Just as long as you

Hold on to your dream
Cause they're always worth having
Hold on to your dream
Like a father to his son
Don't let anyone ever steal your joy from you
Hold on to your dream
'till the day that life is said and done

Hold on to your dream
Cause they're always worth having
Hold on to your dream
Like a mother to her child
Don't let anyone ever steal your dreams from you

Hold on to your dream
And do your best to always wear a smile

Hold on to your dream
