3. Over hearts, I have painfully turned every stone
Just to find, I had found what I've searched to discover
I've come much too far for me now to find
The love that I've sought can never be mine

R: And though you don't believe...

And though the odds say improbable
What do they know
For in romance
All true love needs is a chance
And maybe with a chance you will find
You too like I
Overjoyed, over loved, over you, over you
