

# How to Find True Love and Happiness in the Present Day

The Strangers

Once I knew a man in love with money  
He said it solved his worries and his cares  
The one day  
I heard him say  
Something I hear everywhere

Once I knew a man in love with power  
He bought a uniform and he kept it clean  
Then one day  
I heard him say  
There's something he's never seen

Tell him how to find true love and happiness  
In the present day  
Tell him how to find true love and happiness  
In the present day

Then I know a girl in love with living  
Didn't like to stay in one place long  
Then one day  
I heard her say  
She'd discovered something's wrong

Tell her how to find true love and happiness  
In the present day  
Tell her how to find true love and happiness  
In the present day

Tell him how to find true love and happiness  
In the present day
