

## Fine And Dandy

Barbra Streisand

Please forgive this platitude  
But I like your attitude  
You are just the kind I've had in mind,  
Never could find  
Honey, I'm so keen on you  
I could come to lean on you  
On a random bay  
Give you your way  
Do what you say  
Gee, it's all fine and dandy  
Sugar candy,  
When I've got you  
Then I only see the sunny side  
Even trouble has its funny side  
When you're gone, my sugar candy  
I get so lonesome, I get so blue  
But when you're handy  
It's fine and dandy  
But when you're gone  
What can I do?
