

Who Is In Your Heart Now?

Studio Killers

Ooh, Ooh yeah!

Ooh, Ooh yeah!

Have you ever heard a callin'

But you don't know where the sound is coming from

Some times love, is talking in a whisper

Do you ever feel like falling

For some one you never thought of falling for?

But without him

Though you move, you're getting nowhere

Tell me, who's in your heart now?

When Leonard Cohen is singing "Hallelujah"

Who's in your heart now?

All your friends and foes, they thought they knew ya

But look who's in your heart now

You scared yourself, your all of a doo-dah

Oh, you gotta hold on to love

Oh you'd better hold on to love

Have you ever found something

That you didn't even know you were looking for?

An answer

Though you didn't hear the question

When the plane is shaking violently

You wonder will the sky change into Heaven

And if all fails

Who is in your last thought then?

Tell me, who's in your heart now?

When Leonard Cohen is singing "Hallelujah"

Who's in your heart now?

All your friends and foes, they thought they knew ya

But look who's in your heart now

You scared yourself, your all of a doo-dah

Oh, you gotta hold on to love

Oh you'd better hold on to love

Ooh, Ooh yeah!

Ooh, Ooh yeah!

Oh, you gotta hold on to love

Oh you'd better hold on to love

Ooh, Ooh yeah!
