

I Love My Dog

Sublime

I love, I love my dog
Yes I love, I love my dog
And I love, I love my dog

going,
walkin' down babylon way
got to keep going straight
got to love my lady love
gots to keep going away

And I
Love my dog
Gots to keep it going straight
And I
Love my dog
Gots to keep being a man

And I love, I love my dog
Yes I love, I love my dog
Yes I love, I love my dog

And I
I love my dog
Got to keep it going straight
And I
Love my dog
Gots to keep my PMA

I love my dog
I love my dog
