

## She's Different

Sugar Ray

She was a crazy girl  
She's from a different world and  
I don't care  
She cashed her check at 2  
Her rent was overdue 'cause he's not there

Sing for me, sing for me  
Show me the way  
Sing for me, sing for me  
'Cause you're goin' away  
And if you're goin' away  
I just don't know what to say  
You're time was wasted  
All you had to do was stay

Hey Mr. Officer  
Please let me talk to her take her home  
Sometimes it's hard to see  
Impossibilities unknown

Sing for me, sing for me  
Show me the way  
Sing for me, sing for me  
'Cause you're goin' away  
'Cause if you're goin' away  
I just don't know what to say  
You're time was wasted  
All you had to do was stay  
(Teardrops, they fall, out of, the sky)  
She's goin' away...
