

# Fall Into Me

Sugarland

When the weight of the world  
Breaks down so strong it  
Leaves footprints on the street  
And theres too many miles to face  
Without a few more hours sleep  
The storm clouds overhead won't shed  
Any rain to quench your thirst  
I wanna be the one you reach for first

When your faith is stretched so thin  
That you can see right through your soul  
And you cant find a nickel to buy a smile cuz all ur pockets all got holes  
You wanna shut the door and  
Hide before the day can get much worse  
I wanna be the one you reach for first

Fall into me  
My arms are opened wide  
And you dont have to say a word  
Cuz I already see  
That it's hard  
And you're scared  
And you're tired  
And it hurts  
And I wanna be the one you reach for first

I wanna be the bottle you've been drinkin with your eyes  
Or the road you run away on  
You've been runnin all your life  
The third row pew that you last knew  
As a child in church  
I wanna be the one you reach for first

Fall into me  
My arms are opened wide  
And you don't have to say a word  
Cuz I already see  
That it's hard  
And you're scared  
And you're tired  
And it hurts  
And I wanna be the one you reach for first

Before you turn the key  
Before you fall asleep  
Before you drift away  
To find some demons waiting for you  
In your dreams  
Before your arms stretched wide open  
Before you're reaching for the sky  
Before you're searching for direction  
And all the answers till you fall

Fall into me  
My arms are stretched opened wide  
You don't have to say a word  
Cuz I already see

That its hard  
And your scared  
And your tired  
And it hurts  
And i wanna be the one you reach for first
