Look at me, who am I supposed to be And what do I believe, can you tell me? Since you've made up your mind Who knows what you believe

And I just don't know No, I just don't know Who I'm supposed to be

Look at me
Am I the image of your hopes and tragedies?
Just look at me
Will I ever be more than just a memory

'Cause you just don't know
No, you just don't know
All I am is me
All I am is me
All I am is me
