Em C

So am I still waiting

G Hmi

For this world to stop hating

Can't find a good reason

MEZIHRA : Em **C G Hmi**

Emi Ami

Drop dead a bullet to my head

Emi G

Your words are like a gun in hand

Emi Ami

You can't change the state of the nation

Ami C

We just need some motivation

Emi Ami

These eyes have seen no conviction

Emi G

Just lies and more contradiction

Emi Ami

So tell me what would you say

Ami C

I'd say its up, to me

So am I still waiting

For this world to stop hating

Can't find a good reason

Can't find hope to believe in

Ignorance and Understanding

We're the first ones to jump in line

Out of step for what we believe in

But who's left? To stop the pleading

How far will we take this

It's not hard to see through the sickness

So tell me what would you say

I'd say its up... to me

So am I still waiting

For this world to stop hating

Can't find a good reason

Can't find hope to believe in

This can't last forever

Time won't make things better

I feel so alone

Can't help myself

And no one knows

If this is worthless

Tell me, so

What have we done

We're in a war that can't be won
This can't be real
I don't know what to feel

So am I still waiting
For this world to stop hating
Can't find a good reason
Can't find hope to believe in

So am I still waiting
For this world to stop hating
Can't find a good reason
Can't find hope to believe in
