Hollow Little Reign

Supergrass

Uptight, thinking things over,
Conversations running round my head,
Good times last so much longer,
And summer loving going straight to my head,
Some day when I can,

Cool skies drinking the sunshine,
Feel the wind blowing through my hair,
It's our time, for talking it over,
Take you home fall into my bed,
Some day when I can,

Sometimes, clouds will come over, Leopard spots in front of my eyes, One day when I feel a lot better, Take a train to a cooler climes, Some day when I can.
