

Abandoned Prayers

Support Lesbiens

Rapture in my hands, all abandoned prayers
I want to get out, I want to get in my farewell
Living it seems, waking, I don't understand
Feels like I'm standing alone, crawling
Fighting my gods to feel real, throwing light on my fears to go

God you know, ain't gonna keep your crown
To feel the way, on that day I was crying
Like I want to know, will it tear things down
If I'm away on the day I was dying

Capture all my dreams, all at random states
Want to get out, I want to get it back myself
Living it seems, waking, I don't understand
Feels like I'm standing alone, crawling
Fighting my gods to feel real, throwing light on my fears to go

God you know, ain't gonna keep your crown
To feel the way, on that day I was crying
Like I want to know, will it tear things down
If I'm away on the day I was dying

Angels invading dreams
Take me, can you believe
Feels like I've scattered my soul
Born to fly

God you know, ain't gonna keep your crown
To feel the way, on that day I was crying
Like I want to know, will it tear things down
If I'm away on the day I was dying
