

Can't Getcha Offa My Mind

Survivor

Ooh, you've got a way aboutcha
That's shakin' me offa my vine
Ooh, you've got a way aboutcha
And doncha think it's way past time

Only you can put it where I want it

And I can't getcha off
I just can't get you
I can't getcha offa my mind
No, I can't getcha off
I just can't get you
I can't getcha offa my mind

Ooh, you've got a sweet way of walkin'
That pushes me offa my mind
Ooh, a street way of talkin'
That lets me know, you're just my kind

'Cause only you can put it where I need it

And I can't getcha off
I just can't get you
I can't getcha offa my mind
No, I can't getcha off
I just can't get you
I can't getcha offa my mind

Only you
Can send me into ecstasy, ooh
When you're next to me
When I need you

And I can't getcha off
I just can't get you
I can't getcha offa my mind
No, I can't getcha off
I just can't get you
I can't getcha offa my mind

And I can't getcha off
I just can't get you
I can't getcha offa my mind
No, I can't getcha off
I just can't get you
I can't getcha offa my mind
