

99.9 Fahrenheit degrees  
Stable now, with rising possibilities  
It could be normal but it isn't quite  
Could make you want to stay awake at night

You seem to me like a man  
On the verge of burnin'  
99.9 Fahrenheit degrees

Pale as a candle  
And your face is hot  
And if I touch you  
I might get what you've got

You seem to me like a man  
On the verge of runnin'  
99.9 Fahrenheit degrees

Something cool against the skin  
Is what you could be  
Something cool against the skin  
Is what you could be needing  
99.9 Fahrenheit degrees

You seem to me like a man  
On the verge of burnin'  
99.9 Fahrenheit degrees

Something cool against the skin  
Is what you could be  
Something cool against the skin  
Is what you could be needing
