

Vahan Song

Sweet Noise

the wish for death the deadly trap against the guns they met my
head I put my life my words my neck against the walls I see ah
ead I rise from my knees I`m rising from my knees for You

coming becoming I`m coming (me myself again)

Listen up son its been fifty years since they broke our necks W
e`re living it up like human wrecks on our knees and praying fo
r a new life new place old soul sing me eagle songs sing me sin
g me songs of a human dignity

coming becoming I`m coming (me myself again)

don`t cry don`t pray for me wish well and comfort me don`t cry
don`t pray for me go out revolting be yourself

take me high don`t drop me back say you won`t leave me tears wo
n`t drop from eyes tonight hush eagle sing it

across the sky across the land spread the wings and fly bring t
hem hope freedom life say you will stay Stay Stay

Stay by me

hundred years since they broke our necks to their life and fate
, gave them hate and pain oh tears must flow people fight for h
ome people fight for life people fight tonight
