Love Is Like Oxygen

Love is like oxygen You get too much you get too high Not enough and you're gonna die Love gets you high

Love is like oxygen (love is like oxygen) You get too much you get too high (you get too much you get too high) Not enough and you're gonna die (gonna die) (love is like oxygen) Love gets you high

Time on my side I got it all I've heard that pride Always comes before a fall

There's a rumour goin' round the town That you don't want me around I can't shake off my city blues Every way I turn I lose

Love is like oxygen (love is like oxygen) You get too much you get too high (you get too much you get too high) Not enough and you're gonna die (gonna die) (love is like oxygen) Love gets you high

Love is like oxygen (love is like oxygen) You get too much you get too high (you get too much you get too high) Not enough and you're gonna die (gonna die) (love is like oxygen) Love gets you high

Time is no healer If you're not there Lonely fever Sad words in the air

Some things are better left unsaid I'm gonna spend my days in bed I'll walk the streets at night To be hidden by the city lights, city lights

Love is like oxygen (love is like oxygen) You get too much you get too high (you get too much you get too high) Not enough and you're gonna die (gonna die) (love is like oxygen) Love gets you high

Sweet

Love is like oxygen (love is like oxygen) You get too much you get too high (you get too much you get too high) Not enough and you're gonna die (gonna die) (love is like oxygen) Love gets you high

Love is like oxygen Love is like oxygen Love is like oxygen
