

Everything Is Possible

Swim Deep

I got a feeling to hurt, I'm not afraid of turning
[?]

Clearly the six is the shift, but does she see as much as me
Have you ever flew in on a land, the sun not coming down

Everything is possible
Singing it like a preacher man
Everything is possible
I'll be silent, says the speaking man

Oh, hold on, oh, hold on [x3]

Everything is possible
Singing it like a preacher Man
Oh, oh for all who knew
There's nothing wrong [x3]

Everything is possible
I'll be silent, says the speaking man
Oh, Oh, of all for the good
There's nothing wrong, nothing wrong
Ain't nothing wrong

[?] move in on the sand
There's a guy that you showing us how to survive
There's an ocean so deep, I'm walking on dry land
There's a baby and a mother, [?]
All the birds through the bush, see how the sound
Everything is possible, so indescribable
[?]
[?]
Although it take a while, go take your last laugh
Until I close my wings and I'm back flying
Sometimes I want to dream, some days I want to leave
I'm not afraid to hope even though I choked
