

# Don't Give Up on a Good Thing

Swing Out Sister

(Swing Out Sister)  
Don't give up on a good thing  
It's too soon to stop  
So don't give up  
You might just run out of chances  
Don't give up on a good thing  
People wheeling here  
People dealing there  
Scratching a living when there's nothing left to  
Share  
Where do we go from here?  
People running scared  
Taking no one's word  
Believing in rumors that can only make things  
Worse  
I'm going away  
It's never been so clear  
That what we got right here  
Could easily just fade and despair  
Don't give up on a good thing  
It's too soon to stop  
So don't give up  
You might just run out of chances  
Don't give up on a good thing  
Don't give up on a good thing  
It's too soon to stop  
So don't give up  
You might just run out of chances  
Don't give up on a good thing  
Don't give up on a good thing  
Got to make it last  
Before it's lost  
Nothing in this world has lasted  
Don't give up on a good thing no no no  
Don't give up Don't give up on a good thing no  
no no  
On a good thing  
Breathing the same air  
Where do we go from here?  
Using resources till there's nothing left to spare  
What do we have to show?  
Does any body care?  
Did anybody hear?  
Prayers left unanswered  
Have they fallen on deaf ears?  
Who's listening now?  
Got to plant this seed  
They're asked to sow  
The future's in our hands so let it grow  
Don't give up on a good thing  
Don't give up on a good thing  
Don't give up on a good thing no no no  
(Repeat last line, fade)
