

All Of Me

Syleena Johnson

You give me love and no limits
You fill me up when I need it
You bring me joy, show me peace, bring the best out me
Pick me up when I fall, stand beside me.
You make me happy, you se me free
You take the lonely out of me
I'm in true love, finally
And it's so fine, it's so fine.

When you do what you do, you pull through everything I need
And it's you that I see in my life, you're the air I breathe.
When you do what you do, I can fly across the widest seas
So just do what you do, 'cause it's true that you're all of me
You're all of me, all of me
All of me, all of me.

You make me whole when I'm broken
And when I'm closed, you stay open
Now I see what you mean when you say you're here to stay
'Cause you love constantly
And I thank you.

You make me happy, you se me free
You take the lonely out of me
I'm in true love, finally
And it's so fine, it's so fine.

When you do what you do, you pull through everything I need
And it's you that I see in my life, you're the air I breathe.
When you do what you do, I can fly across the widest seas
So just do what you do, 'cause it's true that you're all of me
You're all of me, all of me
All of me, all of me.
