

## Sound

Sylvan Esso

I was gonna write a song for you  
Gonna sing it out loud  
Gonna sing it at such decibels that  
All you'll hear is sound and  
All you'll feel is sound and  
All you'll be is sound

I was gonna write a song for you  
Gonna sing it out loud  
Gonna sing it at such decibels that  
All you'll hear is sound and  
All you'll feel is sound and  
All you'll be is sound

I was gonna write a song for you  
Gonna sing it out loud  
Gonna sing it at such decibels that  
All you'll hear is sound and  
All you'll feel is sound and  
All you'll be is sound

I was gonna write a song for you  
Gonna sing it out loud  
Gonna sing it at such decibels that  
All you'll hear is sound and  
All you'll feel is sound and  
All you'll be is sound

I was gonna write a song for you  
Gonna sing it out loud  
Gonna sing it at such decibels that  
All you'll hear is sound and  
All you'll feel is sound and  
All you'll be is sound

I was gonna write a song for you  
Gonna sing it out loud  
Gonna sing it at such decibels that  
All you'll hear is sound and  
All you'll feel is sound and  
All you'll be is sound
