

# The Glow

Sylvan Esso

Willy's so tall  
And Avi's so fair  
And Deanna's so beautiful  
Pretending not to care

And I remember The Glow, oh, oh  
And I remember The Glow, oh, oh

In my headphones  
After school and slightly stoned  
I remember The Glow

Meg's so snide  
And Allie's so loud  
And Micah's is so dreamy  
Shaking in the crowd

And I remember The Glow, oh, oh  
Yeah, I remember The Glow, oh, oh

Walking back from the show  
With my heart in echo  
So alone in the snow  
And Phil singing just to me, only

I remember The Glow, oh, oh  
I remember The Glow, oh, oh  
Yeah, I remember the glow  
Oh, I remember the glow

It wasn't from a phone  
And I knew I wasn't alone

I remember The Glow  
Yeah, I remember The Glow  
I remember The Glow  
I remember The Glow
