## System of a Down

Hello, my name is Johnny  
Well hello my name is Johnny  
I would like to explain myself  
And I would like to complain in vain

Sweet little boy

JOHNNY!

Sweet Little Boy

JOHNNY!

Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind

'ello my name is Roger  
Well hello my name is roger  
I would like to proclaim myself  
A god  
And likely ordain myself

Sweet little boy

ROGER!

Sweet little boy

ROGER!

Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind

Let me show you the way to my  
Let me show you the way to my  
let me help you explain your mind  
When I help you explain your mind

Sweet little boy

Johnny

Sweet little boy

Oh no! It's Roger!

Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind  
Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind
