

# Broken Clocks

sZa

Run fast from my day job  
Running fast from the way it was  
Jump quick to a pay check  
Running back to the strip club  
I'm never going back, never going back  
No you can't make me  
Never going back, never going back  
They never take me  
I've paid enough of petty dues  
I've had enough of shitty news  
I've had a thing for dirty shoes since I was 10  
Love dirty men alike

Ohhhh  
Better day than yesterday  
Ohhhh  
I just take it day by day  
Ohhhh  
Never hearing what they say  
Ohhhhh  
I just do it my way

All I got is these broken clocks  
I ain't got no time  
Just burning daylight  
Still up still up  
Its still love its  
Still love still love still loving still love  
Nothing but love for you  
Nothing but love  
Nothing but love

All that I've got  
Pieces and pages  
Talking a lot  
Sorry I'm faded  
Think I forgot  
You love me  
You love me  
You love me

Got a shift at 10 AM  
Gotta dip at 10 PM  
Gotta get that cash  
Won't get past the lunch break  
I ain't had a smoke break  
In about two days don't break  
Been about three years since I dated you  
Why you still talking 'bout me like we together?  
I moved on for the better  
You moved on to whoever  
I was down for whatever and then some  
You gon' make me late to work again

Ohhhhh  
Better day than yesterday  
Ohhhh

I just take it day by day  
Ohhhh  
Never hearing what they say  
Ohhhhh  
I just do it my way

All I got is these broken clocks  
I ain't got no time  
Just burning daylight  
Still up still up  
Its still love its still love  
Still love still love still loving still love  
Nothing but love for you  
Nothing but love  
Nothing but love

I don't eat can't sleep past 9 AM  
Heartbeat makes me feel young again  
Can't beat em just join the party  
I dont wanna don't need nobody

All that I've got  
Pieces and pages  
Talking a lot  
Sorry I'm faded  
Think I forgot  
You love me  
You love me  
You love me
