

## Wavy (Interlude)

sZa

I think I'm boutta sell out 'bout issue out of line  
Sayin' tomorrow he'll wash the dishes  
Never come  
Easy bake, easy wake  
I'm gone  
Just give as much as you take  
Forgive as much as you hate  
Or get the fuck out

I've been in the dugout  
Lookin' for a way out  
You know just takin' it slow  
Now I'm feelin' on loud  
Lookin' for a way out  
Somebody show me the door

I was wavin'  
(I've been waitin' for you, boy)  
And I was drownin'  
(Ooh)  
I went crazy  
(I've been goin' crazy, boy)  
Found out, what's the way out  
Now I'm wavin'  
Now I'm wavin'

You know just takin' it slow  
Somebody show me the door  
You know just takin' it slow  
Somebody show me the ropes, babe
