

## Valentine

T'Pau

Songs for my valentine  
Give the game away  
In rhyme I make mine  
Sing all that I cannot say  
I know mine are the tears I never cry  
I know mine is a love I must deny

We go our separate ways  
With nothing but a smile  
Hearts break in many ways  
Oh how, you've broken mine  
I know mine are the arms you'll never hold  
I know mine is a love remains untold

Hey, hey, hey!  
Sunny valentine  
Come on shine  
Your love my way

Songs for my valentine  
Give the game away  
Come on, take it away yeah

I know mine are the tears I never cry  
I know mine is a love I must deny

Hey, hey, hey!  
Sunny valentine  
Come on shine, please shine  
Your love my way

Oh! Come on and shine  
You've got to shine  
Please shine  
My way, my way  
Oh! Come on now shine  
You've got to shine  
Please shine my way  
It's my turn my way my way

Yeah yeah yeah yeah yeah  
Oh come on and shine  
You've got to shine  
Please shine my way...
