

Millenium Lie

Tad Morose

Hollow, empty, broken inside
Beaten by life in darkness I hide
The word's been spoken since the day that "he" died
Maintained consistent or ominous lies?

Altered by time?
Altered by man?

Millennium lie

Confused and weary I'm lost in my mind
Deceived and misled in this non exit maze
The righteous thyme, a guiding light -
Still I'm blind
The words of grace feeding sorrow and hate

Altered by time?
Altered by man?

Millennium lie
