

Do Right

Take 6

I know that He gave His life for me
Set all our spirits free
So I wanna do right, wanna do right
All of my life

And I never dreamed that I could be holding you
Well, He's making my dreams come true
So I wanna do right, wanna do right
I wanna do right

Oh, you got to do right
Yes, you gotta do right
Let Him be your guiding light
(You got to do right)
Yes, you gotta do right
Let Him be your guiding light

Listen to me people

I used to say love was just a game we played
Now I see it in a different way
So I wanna do right
I gotta do right

And I never knew that I could be holding you
Well, He's making my dreams come true
So I wanna do right, wanna do right
I wanna do right

Oh, you got to do right
Yes, you gotta do right
Let Him be your guiding light
(You got to do right)
Yes, you gotta do right
Let Him be your guiding light

Listen to me people

Well, we just can't keep on livin' like we're livin'
We just can't keep on
(Livin' like we're livin')
Just can't keep on pushin' to the limit
We just can't keep on
(Can't keep on)

Just can't keep on livin' like we're livin'
We just can't keep on
(Livin' like we're livin')
Just can't keep on pushin' to the limit
We just can't keep on
(Can't keep on)
Just can't keep on livin' like we're livin'
No, we just can't

Just can't keep on livin' like we're livin'
We just can't keep on
Just can't keep on pushin' to the limit

We just can't keep on

Don't you know we gotta do right

Oh, don't you know

And He'll be your guiding light

Be your guiding light

Be your guiding light
