

# When We Were Young

Take That

When we were young the world seemed so old  
Careless and cold  
We did what we were told in our lives  
When we were young  
Had the world by the tail  
Good would prevail  
Starships at sail  
And none of us would fail in this life  
Not when you're young

We were drawn to whoever could keep us together  
And bound? by the heavens above  
And we tried to survive traveling at the speed of love

(Wo oh oh)  
When we were young  
When we adored the fabulous  
(Wo oh oh)  
When we were young  
We were the foolish fearless  
Never knowing the cost of what we paid letting someone else be strong  
(Who oh oh)  
When we were young

In a moment of grace  
A long leap of faith  
The still more glorious dawn awaits  
It's my life  
I'm here with the lovers

And we burned the bridges  
We're crossing over  
Just to see the firelight  
And the innocent are getting over  
Being old tonight

(Who oh oh)  
When we were young  
When everything was what it seemed  
(Who oh oh)  
When we were young  
And every day was how we dreamed  
Never knowing the cost of what we paid letting someone else be strong  
(Who oh oh)  
When we were young

And when you look at yourself tonight  
Are you someone you recognize?  
You can take back what you've given away but it must be the last time

(Who oh oh)  
When we were young  
(Who oh oh)  
When we were young  
When we were young

(Wo oh oh)

When we were young  
When we adored the fabulous  
(Wo oh oh)  
When we were young  
We were the foolish fearless  
(Who oh oh)  
When we were young  
We didn't know it wouldn't last  
(Who oh oh)  
When we were young
