

Broken Record

Tamar Braxton

Could've sworn we were in love
Thought I'd given you my all
But I'm standing here all by myself
Oh, once again I played the fool
While you stood and watched me lose
Cause I'm standing here all by myself
Oh, I broke the rules for you
Gave you the keys to my heart
Oh, you dropped 'em in the middle of nowhere

(2x):

Where do I go from here?
(where do I go?)
Where do I go from here?
(where do I go?)
When my heart's a broken record
(heart's a broken record)
My heart's a broken record

I done seen this here before
Did not cry not one time more
But I'm standing here all be myself
Oh, I tried my best to make it work
I prayed so hard that this wouldn't hurt
But I'm still standing all by myself
Oh, Do you like when I'm undone?
Are my emotions apart of your fun?
Cause I'm still here all by myself

Where do I go from here?
(where do I go?)
Where do I go from here?
(where do I go?)
When my heart's a broken record
(heart's a broken record)
My heart's a broken record

(Oh, where do I go?)
(Oh, where do I go?)
