

# Pieces

Tamar Braxton

Don't you say a word to me  
I don't wanna hear it  
You say you miss me  
I don't wanna feel it, I don't wanna feel it  
If you really wanted to be  
Oh, if you really wanted to be here  
You would make a woman out of me  
Oh, I'll be the one that you believe in

You don't want my love I swear you don't want it  
You don't want my trust I swear you don't want it  
Gave you my all for what? I swear you don't want it  
You don't want it bad enough, I'ma take it back

I don't want your pieces  
Oh no no no no  
I don't want your pieces  
Oh no no no no

If you can't give me all your love  
I don't want your love  
It's like you threw a curve at me  
Can't you see I'm hurting  
Ooh, it's gonna be hard for me  
I know that's where your heart been,  
That I'm where your heart went, tryna let go of you  
But I don't really know if I can do it  
Close the door on you  
You don't really wanna see me do it, no

I tried a thousand times  
Told my heart a thousand lies  
You won't let me say goodbye  
You don't wanna see me do it, no

I don't want your pieces  
Oh no no no no  
I don't want your pieces  
Oh no no no no

If you can't give me all your love  
I don't want your love no no

If you can't give me all your love  
I don't want your love no no, no

No baby, it's so clear  
You leave me here  
Wondering, dreaming, still believing  
What you say but I'm not for it baby  
I don't know who you think you're playing  
Boy you know I'm the only one you're needing  
Truth of the matter is you don't think I really have the strength to leave

But I don't want no pieces  
Oh no no no no  
I don't want your pieces

I'm tired of giving all of my love  
I don't want your pieces  
Oh no no no no  
I don't want your pieces  
Oh no no no no

I deserve more than just a little part  
I don't want nothing, if I can't have it all  
I ain't even gonna play with something I can't keep  
I want the whole thing or forget about me
