

# The One

Tamar Braxton

You know very well who you are  
You're the only one  
You've got my heart  
And you had a few  
Boy one too many  
But I'm the only one to wake you up  
(It was all a dream)

I reminisce the way we kissed it felt so personal  
You took the chance to win my love and now you know  
(It was all a dream)  
And I don't even know one baby  
Without you I'm incomplete  
My love is just like the bar  
Put it all on me

I don't want nobody else  
Baby all need is you  
(You're the one I want)  
And I don't want nobody else  
Baby all need is you  
(You're the one I want)

You know very well you're a star  
'Cause I don't go that far  
Look where we are  
And it ain't none like you one in a million  
But I'm the only one to count you  
(It was all a dream)

I reminisce the way we kissed it felt so personal  
You took the chance to win my love and now you know  
(It was all a dream)  
And I don't even know one baby  
Without you I'm incomplete  
My love is just like the bar  
Put it all on me

I don't want nobody else  
Baby all need is you  
(You're the one I want)  
And I don't want nobody else  
Baby all need is you  
(You're the one I want)

I reminisce the way we kissed it felt so personal  
You took the chance to win my love and now you know  
And I don't even know one baby  
Without you I'm incomplete  
My love is just like the bar  
Put it all on me

Put it all on me  
Put it all on, put it all on  
Put it all on me
