## **Tanita Tikaram**

Now - you can't tell me - well, That you know too much Well, that you know too much to let go Now, I can't watch you Be an Easy vision Well an Easy vision

Lord I love the heaven's solo I love the heaven so I love the heaven know by now That there is a place to

Now you can't tell me -well I have lived too much Well - I have lived too much, to know Now you can't wash me Like a simple reason Well a Simple reason

Lord I love the heaven's solo I love the heaven so I love the heaven know by now That there is a place to

Now you can't tell me - well I have dreamed enough Well - I have dreamed enough to know Now I can dream you Like an easy vision Well an Easy vision

Lord I love the heaven's solo I love the heaven so I love the heaven know by now That there is a place to
