

I Love You Anyway

Tanya Tucker

My cowboy rhythm with your uptown blues
Might sound a little out of tune
But I don't care I don't care
It don't matter to me, baby
I love you anyway
Your silk Armani with my wrangler jeans
Might make us look a little strange
But I don't care I don't care
It don't matter to me, baby
I love you anyway

Any fool can see the warning signs
The difference in your world and mine
But I don't care how fast or high you fly
I love you anyway

Any fool can see the warning signs
The difference in your world and mine
But I don't care how fast or high you fly
I love you anyway
Pigéon Forge or St. Tropez
We'll have one fine honeymoon either way
So I don't care no I don't care
It don't matter to me, baby
I love you anyway

wooh It don't matter to me, baby
I love you anyway
