

If I Fall

Tara MacLean

It seems so far to go
It took so long to get here
Now I'm saying things I swore I'd never say
And I'm afraid again
I thought I had it in me
I used to be so sure
There I was stronger than ever
And here I am blaming the hurt
And if I fall,
I will find a way back to my hands
I'm the only one who can help me find my feet again
Sweet little fighter
Sweet little scar
Sweet little fire
In my heart
It seems so easy now
Everything I dreamed about when I was a child
It looks like a good thing's here
And I think I'll stay for a while
And if I fall, I will find a way back to my hands
I'm the only one who can help me find my feet again
You came in screaming
And never stopped to listen to your one and only prayer
A place for you somewhere
Sweet little fighter
Sweet little scar
Sweet little fire
In my heart

And if I fall,
I will find a way back to my hands
I'm the only one who can help me find my feet again
And if I fall,
I will find a way back to my hands
I'm the only one who can help me find my feet again
And if I fall,
I will find a way back to my hands
I'm the only one who can help me find my feet again
