

# Anteroom of Death

Tarja Turunen

Two-faced drama rebellion  
Are you the Joker, King or Queen?  
Place your cards as they're coming  
Came to win, lost everything  
Gambling riders pull the strings  
Pull them tighter, let them in

Come and play another day  
Throw your mask away  
I don't care what you say  
'Cause your lovely words decay  
Come and play another day  
Welcome to the anteroom of death

Hide your conspiracies so  
Who's got the keys and who has not?  
Sell your fortune to me  
'Cause I can still read behind all that  
Burn your fingers, trade a dream  
Watch the clock as it's ticking

Come and play another day  
Throw your mask away  
I don't care what you say  
Cause your lovely words decay  
Come and play another day  
Welcome to the anteroom of death

Blinded in the dark  
I'm touching the scars of tainted hearts  
If you're searching  
Learn to see  
Honesty is all you need  
Take a bow  
Finally

Watch the clock 'cause it's ticking and ticking ticking tock  
Watch the clock 'cause it's ticking and ticking ticking tock  
Are you Joker, King or Queen?  
Two-faced drama rebellion  
Are you Joker, King or Queen?  
Came to win  
Are you Joker, King or Queen?  
Came to win  
Lost everything  
Come and play (come and play)  
Another day (another day)  
I don't care what you say  
Because your lovely words decay  
Come on and play another day  
Throw your mask away  
Come and play (come and play)  
Another day (another day)  
And throw your mask away  
I don't care (I don't care)  
I don't care what you say  
Welcome to the anteroom of death

Gambling riders  
Pull the strings  
Pull them tighter  
Let them in  
Burn your fingers  
Trade a dream  
Come on in, come on in, come on in, come on in  
Come on in, come on in, come on in, come on in  
Come on in

Come and play another day  
Throw your mask away  
I don't care what you say  
Cause your lovely words decay  
Come and play another day  
Welcome to the anteroom of death (3x)
