Oh Jah

Man without his faith is like a tree without the roots  
Got to be true, got to be true  
Strength and protection, given unto I  
By Hailey Hailey Hailey, ayy  
If you don't have a vision then you're empty inside  
Its like you gazing in space, wasting time  
I don't fight religion, all it does is divide  
But still I and I and I  
Give eyes yes

Jah Rastafari you're mi eyesight  
He is the light in the hour of darkness  
Jah Rastafari you're mi life-line  
He rules in the heart of all flesh  
Jah Rastafari you're mi eyesight  
He is the light in the hour of darkness

Till brighter days come  
And we working, searching, to find happiness under the sun  
All we have this faith  
It keeps us while we wait  
Till brighter days come  
And every trouble situation like mi  
Hen inna lion mouth  
Take time try it out

He that dwelleth in the secret place of the Most High  
Shall abide under the shadow of the Almighty.  
Jah Rastafari, I and I strength and redeemer,  
And do remember sun shall not smite I by day,  
Nor the moon by night, in ma going out and going in,  
From this time forth
