

# All The Things She Said

t.A.T.u.

All the things she said  
All the things she said  
Running through my head  
Running through my head  
Running through my head  
(Running through my head)

All the things she said  
All the things she said  
Running through my head  
Running through my head  
(Running through my head)  
This is not enough

I'm in serious shit, I feel totally lost  
If I'm asking for help it's only because  
Being with you has opened my eyes  
Could I ever believe such a perfect surprise?

I keep asking myself, wondering how  
I keep closing my eyes but I can't block you out  
Wanna fly to a place where it's just you and me  
Nobody else so we can be free  
Nobody else so we can be free

All the things she said  
All the things she said  
Running through my head  
Running through my head  
Running through my head  
(Running through my head)  
All the things she said  
All the things she said  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
(All the things she said)  
This is not enough  
Ya Soshla S Uma - Ma!  
This is not enough  
All the things she said  
All the things she said

And I'm all mixed up, feeling cornered and rushed  
They say it's my fault but I want her so much  
Wanna fly her away where the sun and rain  
Come in over my face, wash away all the shame  
When they stop and stare - don't worry me  
'Cause I'm feeling for her what she's feeling for me  
I can try to pretend, I can try to forget  
But it's driving me mad, going out of my head

All the things she said  
All the things she said  
Running through my head  
Running through my head

Running through my head  
All the things she said  
All the things she said  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
This is not enough  
This is not enough  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said, she said  
All the things she said  
All the things she said

Mother looking at me  
Tell me what do you see?  
Yes, I've lost my mind

Daddy looking at me  
Will I ever be free?  
Have I crossed the line?

All the things she said  
All the things she said  
Running through my head  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
This is not enough  
This is not enough  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said.
