All the things she said All the things she said Running through my head Running through my head Running through my head (Running through my head)

All the things she said All the things she said Running through my head Running through my head (Running through my head) This is not enough

I'm in serious shit, I feel totally lost
If I'm asking for help it's only because
Being with you has opened my eyes
Could I ever believe such a perfect surprise?

I keep asking myself, wondering how
I keep closing my eyes but I can't block you out
Wanna fly to a place where it's just you and me
Nobody else so we can be free
Nobody else so we can be free

All the things she said All the things she said Running through my head Running through my head Running through my head (Running through my head) All the things she said All the things she said Running through my head Running through my head All the things she said All the things she said (All the things she said) This is not enough Ya Soshla S Uma - Ma! This is not enough All the things she said All the things she said

And I'm all mixed up, feeling cornered and rushed They say it's my fault but I want her so much Wanna fly her away where the sun and rain Come in over my face, wash away all the shame When they stop and stare — don't worry me 'Cause I'm feeling for her what she's feeling for me I can try to pretend, I can try to forget But it's driving me mad, going out of my head

All the things she said All the things she said Running through my head Running through my head

Running through my head All the things she said All the things she said Running through my head Running through my head All the things she said All the things she said This is not enough This is not enough All the things she said All the things she said, she said All the things she said All the things she said

Mother looking at me Tell me what do you see? Yes, I've lost my mind

Daddy looking at me Will I ever be free? Have I crossed the line?

All the things she said All the things she said Running through my head Running through my head Running through my head All the things she said All the things she said Running through my head Running through my head All the things she said All the things she said This is not enough This is not enough All the things she said All the things she said All the things she said All the things she said

All the things she said All the things she said.
