

How Many

Taylor Dayne

Another secret in my life,
Another day I have to fight,
What should I ask myself this time?

Are you the one to break these chains,
Cause I don't ever wanna hurt again,
Give me the time to just believe,

How many love do I begin,
How many times before I win,
How many chances do I have to take,
When will I learn from my mistakes,
Is there a love to set me free,
How many loves you're gonna take on me,
To bring the spell, to bring the change,
How many love?

Seems like a life time passed me by,
And I don't need another reason why
Why I should compromise myself,
No,
So why don't you say there's no one else,
It's only true that I will hear you tell
Don't break my heart don't make me leave
