Head, Shoulders, Knees, Toes (x4)  
From the bottom to the top, oh  
From the bottom to the top of my body

Shiftin through my clothes  
Tryna pick what I'll put on tonight  
Oh, tonight  
Find somethin that'll make me  
Feel like a lady  
And I'm sure it's gonna catch your eye  
Oh, and dont lie

From my,  
Head, Shoulders, Knees, Toes  
To my,  
Head, Shoulders, Knees, Toes  
My pretty body, body

Tonight, tonight  
Ain't it so funny what a breakup can do for you  
Check out my body while I'm walkin to my new boo

You can kick back and just watch all night  
I don't want your hello,  
I don't need your goodbye  
Just watch me,

So I made the decision to move on  
But just for the hell of it,

I'll write you a love note,  
So you can remember, sayin  
Lookie, lookie, look at me  
Lookie, lookie, look at this  
Look at what you coulda had  
Look at what you'll neva get
