

Chemistry

Teairra Mari

Tonights the night
I'm feelin free yeah
My bodies callin can
You hear it no hesitating
Let's enjoy this (gonna make my way to you)
I can tell your curiouse by lookin in your eyes I won't mind (I
won't mind no) if you come movin close come touch me don't be
shy (don't be shy don't be shy) I'm what ya like

(2x)

Ya know you can feel the sensual chemistry rising high
Said ya know miss energy
Feel the tension strait from my remedy got chemistry senusual c
hemistry
Got chemistry
(Letsgo let's go let's go (2x))

I like it if you rub up on me
Garentee I'll fufill you
Fantasy just one night that I need (let me take you home with m
e) I can tell your curious by look in your eyes I won't mind if
you movin close come touch me don't be shy I'm what ya like

(2x)

Ya know you can feel the sensual chemistry rising high
Said ya know miss energy
Feel the tension strait from my remedy got chemistry senusual c
hemistry

Sensual chemisty got me on it got me on it sensual chemistry go
t me on it got me on it ohoh oooooooh (no miss energy) sensual
chemistry

(6x)

Ya know you can feel the sensual chemistry rising high
Said ya know miss energy
Feel the tension strait from my remedy got chemistry senusual c
hemistry
