

# Confidential

Teairra Mari

Teairra, I want you ma, can we do this  
Can I trust you?

If I take it off  
Would you take it slow  
And promise to not let nobody know  
About nothing, if I come off of this loving  
Its confidential  
If I take it off  
Would you take it slow  
And promise to not let nobody know  
About nothing, if I come off of this loving  
Its confidential

If I (If I)  
Let you get me (Let you, let you)  
Take off my jeans (Let you, let you)  
You're gonna be  
The first one to score  
And if I let go (Let go, let go)  
Act irresponsible (Oh no, oh no)  
After all this is over  
Will the joke be on me

Though my body's saying (take me)  
I got my mind saying (same thing)  
Slow down, don't be fooled, by the things you say

If I take it off  
Would you take it slow (Oh)  
And promise to not let nobody know (Nobody know)  
About nothing, if I come off of this loving (Its so confidential)  
Its confidential  
If I take it off  
Would you take it slow  
And promise to not let nobody know (Nobody know, oh)  
About nothing, if I come off of this loving  
Its confidential

I'm so close to giving you all of me  
But I can't be sure that you gon' stay with me  
I know that I said that we were meant to be  
But I can't say this time and its right for me  
Your swagger is right our vibe is strong  
You're beggin' to see me with nothing on  
So many of my girls are home alone  
Wishing that they would have remained strong

Though my body's saying (take me)  
I got my mind saying (same thing)  
Slow down, don't be fooled, by the things you say

If I take it off  
Would you take it slow  
And promise to not let nobody know (Promise that you won't betray me)  
About nothing, if I come off of this loving (No, its so confidential)  
Its confidential

If I take it off  
Would you take it slow (No)  
And promise to not let nobody know (Nobody know)  
About nothing, if I come off of this loving (Woah, its so confidential)  
Its confidential

I like you  
I mean, (Nothing, loving)  
I really like you  
I just don't know (Nothing, loving)  
If I'm ready  
If I take it off  
Would you take it slow (You feel me)  
And promise to not let nobody know  
About nothing, loving (You willing to wait?)  
If I take it off would you take it slow (Huh)  
And promise to not let nobody know  
About nothing (nothing), if I come off of this loving  
Its confidential
