

Blurry Precise

Team Me

Days crumbling together
Blurry precise
Walking on a wire to feel something inside
You say, "I don't have what it takes,"
But I think you're wrong
I might [?]
Calibration
That's all
Don't we all

Too many fires in a single night
I'm going up
I'm going blind
I wanna go somewhere else tonight
I just wanna go
Big crack in an armor [?]
A thousand angles from a thousand years
Something's not quite right upstairs
I don't wanna know
I just wanna go!

Days turn back the wheels of time
I wanna go back
Truly trying breath
Facilitate my ego death
Days crumbling together
My head is up in the clouds
I've just been around the circles, you know
Hello

Too many fires in a single night
I'm going up
I'm going blind
I wanna go somewhere else tonight
I just wanna go
Big crack in an armor [?]
A thousand angles from a thousand years
Something's not quite right upstairs
I don't wanna know
I just wanna go!

Too many fires in a single night
I'm going up
I'm going blind
I wanna go somewhere else tonight
I just wanna go
I just wanna go!
