A waking world of innocence

So grave those first born cries
Fmi7 C#maj7 Fmi7 C#maj7
When life begins with needles and pins

It ends with Swords and Knives

Oh dangerman, oh dangerman
Cmaj7 Gmi7 Cmaj7Gmi7
Your blade fits like a glove
Fmi7 C#maj7
When forged in steel
Fmi7 C#maj7
Time cannot heal
Cmaj7 Gmi7 Cmaj7Gmi7
That blood red bond of love

Fmi Cmi
Oh, In times of trouble you're an open book
Fmi Cmi
With the change in the way you look
Cmaj7 Gmi7 Cmaj7 Gmi7
And its sad love's not enough to make things better

Fooled by now, we mystify the past
Like a dream, like it never happened
