Tech N9ne

Ain't no way you bout to stop this sickness  
From the deepest darkest part of Missouri  
Psycho alpha skitzo get ya chest, ya diggin' me  
A-be -S-O-L-you-T-E P-O-W-E-are see me clownin'  
Look at all you playa hatas frownin'  
Raw, God said kill 'em all, Tech's backs to the wall  
Fightin' for my life and I'ma bust back 'til they fall  
And I ain't even slangin' them thangs  
I'm hollerin one-eight-seven you trippin wit Strange  
I'm really real wit it, like my homie AJ say deal wit it  
Pushin' and pullin' fightin' for the meal ticket  
In a minute I'ma do it like a villain  
I'ma get 'em in the middle of a bomb  
Put 'em on the spot  
Till the funk go pop and they'll never have other calm  
Tech Nizzle, when I'm fizzle this who be you  
Rollin wit Dave Trap, Violet Brown, and 3DQ, hootie hoo  
For those not knowin' Missouli true  
I'ma tell you like the Swedish would say it, "Sig Min Kuk"

Absolute Power! That's the only way to roll  
Absolute Power! They love us everywhere we go  
Absolute Power! Tecca Nina's bout to blow  
Absolute Power, Absolute Power  
Absolute Power! That's the only way to roll  
Absolute Power! They love us everywhere we go  
Absolute Power! Tecca Nina's bout to blow  
Absolute Power, Absolute Power

I do hip hop and I mix it wit the hard rock  
'Cause I'm in this rhyming for climbing  
Tech N9ne he's unwinding the shining is blinding  
Greedy so we constantly grinding  
I been in the game sixteen years makin' rap tunes  
Raisin hell havoc up in the classroom  
Now in '02 you can watch me clownin' and diamonds shining  
Watchin' DVD's on the Hoshitoshi (It's all Jesus)  
Now I keep the crowds pumpin' they jumpin'  
Get back to the telly we rollin' and stickin' somethin'  
Racin' to the main line  
Absolute Power is havin' Halle Berry & Juliette Lewis at the same time  
O!, that's how Strange niggas run  
Listen to the villain wit a kinda sociated tongue  
(We're close to the end) but not done  
The Tech's just begin begun beginning to begin to have fun  
The curse is tryin' to put me in the hearse  
But I will not tumble first things first  
Talk a lot of shit and I can't take more  
Fuck Jay Ferus and everybody down wit him and fuck JCOR

Thanks to Strange Muzik I'm comin'  
And all my enemies they runnin'  
Now all my hatas bummin' 'cause I was summoned  
We Kansas City playas and we bout sold game  
We make it so Tecca Nina is a household name  
How many point you got, I got 50  
Here's a question to the Cencorship Committee

Who's the biggest gang of niggas in the city?  
My villains are gritty  
Big Scoob, Texas, Will, Bakari, rest in piece Short Nitty  
Growl wit the evil ways, power what the people say  
Rebel yellin we're felons and my pockets are swellin'  
This beats from Berlin Germany  
Throwin' up MizzIzzy so ain't no other city concernin' me  
I teach it and I speak very loosely  
Stamina gunnin' got playa hatas runnin' profusely  
Now I got the parents pissed and ready to noose me  
'Cause they know that Absolute Power corrupts, absolutely!!
